An Ideal Remedy for Nursing Mothers.

Compound of Simple Laxative Herbs Safe for Baby and Mother.

Constipation is a condition that affects the old, young and middle-aged, and most people at one time or another need help in regulating the action of the bowels. Harsh cathartics and purgatives should not be employed to relieve constipation, as their effect is only temporary, while they shock the system unnecessarily.

A remedy that can be used with perfect safety for the tiniest babe and that is equally effective for the strongest constitution is found in the combination of simple laxative herbs known as Dr Caldwell's Syrup Pepsin and sold in drug stores everywhere for fifty cents a bottle. This is an ideal household remedy and should be in every family medicine chest.

Mrs F L Barsalow, 18 Leslie St, Holyoke, Mass, wrote to Dr Caldwell, "Syrup Pepsin certainly is fine. I gave it to my baby, Evelyn, and also took it myself. It is the only medicine I have been able to take with-

Buds from Bloomingdale.

Bloomingdale, December 13:—All the farmers of this section are through gathering their crops, and times are dull and hard, as yields are not very good in this community.

We are having some cloudy weather now but hope it will soon be fine again.

Mr Pyatt Howard is sick with cold this week; his early recovery is hoped for.

Christmas will soon be here, and the Bloomingdale school is practicing some very pretty pieces to sing and nice little dialogues for an entertainment to be held at the school house Thursday night, 23d inst. The school is prospering under the management of the young ladies in charge, Misses Ruth Phillips and Ruth Carraway.

I wish one and all a happy Christmas.
